AGRSS Council Registers Training Programs

The Automotive Glass Replacement Safety Standards (AGRSS) Council has registered seven training programs that provide training in accordance with the AGRSS Standard®.

These are as follows:

- Automotive Glass Consultants;
- Dow Automotive;
- Glass Doctor;
- Independent Glass Association;
- National Glass Association (a four-course compilation when taken together called “AGRSS Training”);
- Shat R Proof Corp.; and
- SIKA Corp.

The companies submitted the elements of their training programs to the AGRSS Council for review and they determined that the programs comply with the AGRSS Standard.

The Auto Glass Replacement Safety Standards (AGRSS) Council Inc. is a not-for-profit organization dedicated to the safe replacement of auto glass. AGRSS was founded and is supported by companies in the auto glass replacement industry that keeps safe installation as their primary goal. The Council is also accredited by the American National Standards Institute (ANSI) – a standard development organization – and has developed North America’s only auto glass replacement standard, the AGRSS Standard (ANSI/AGRSS 002-2002). The AGRSS Standard addresses procedures, education and product performance for the proper replacement of auto glass.
